

2017 PINOT GRIGIO

Region: Yenda, NSW

Alcohol: 11.5%

Winemaker Notes

Pinot Grigio is an Italian grape variety that thrives under the warm and dry growing conditions the local area offers. The fruit is picked in the cool of the night and pressed immediately without crushing; processed as quickly as possible when cold so any pink colour in the berry skin is not transferred to the juice.

A delicate style showing pear and tropical fruit aromatics with a crisp, citrus finish. A fresh and zesty style, perfect on a warm day.

Dining Suggestions

A great accompaniment to seafood
