

Yarran

2017 CHARDONNAY

Region: Yenda, NSW

Alcohol: 12.5%

Winemaker Notes

Chardonnay can offer complexity and structure not common in many white wine styles; with judicious use of oak and clean fruit characters it is possible to create a compelling wine.

This wine is fermented with some juice solids and aged on yeast until bottling. A rich palate with a subtle oak background but most importantly showing vibrant fresh peach and melon characters.

Dining Suggestions

Enjoy with a creamy pasta

Awards and Reviews

Vintage 2015

"Palish straw colour; clean, fresh straightforward cashew nut aromas, very light use of wood if any. Its light and lively in the mouth, simple bright and refreshing to finish. A very good inexpensive Chardonnay, which happily doesn't rely on sweetness." **Huon Hooke**
