

2017 SHIRAZ

Region: Heathcote (VIC) & Yenda (NSW)

Alcohol: 14.5%

Winemaker Notes

A brilliant Aussie favourite; this variety performs so well under warm, dry conditions and that is exactly where we grow the vines. Ripe fruit is harvested just as the berries begin to shrivel and this creates dark plum and spice flavours; typical of a medium to full bodied wine with generous length.

Dining Suggestions

Hearty casserole or a nice steak

Awards and Reviews

91 Points

"Shiraz sourced from both Heathcote and Yenda. Excellent colour, lively aroma and flavour, and a satisfying finish. The value speaks for itself. Peppercorn, cloves and plenty of cherry-plum fruit flavour. Largely unencumbered by oak flavour, though according to the back label it was aged in both French and American."
