

## 2018 SAUVIGNON BLANC

**Region:** Yenda, NSW

**Alcohol:** 12.0%

### Winemaker Notes

This wine is made from a clone of Sauvignon Blanc sourced from the Adelaide Hills. It is one of the first plantings of the clone in the Riverina region, producing lower yields resulting in high quality fruit and great varietal character.

A lifted wine with fresh apple and passion-fruit aroma, cut grass flavours with a zesty citrus finish. A refreshing and intense style.

### Dining Suggestions

Chicken and/or salads

### Awards and Reviews

*“Very light in colour with a fresh, faintly reductive aroma of tropical fruits. Soft and fruity, not overtly sweet, nor totally dry, but very palatable, attractive and moreish. Great value for money”* **Huon Hooke**
